

Happiness Retreat 2022!

The best retreat ever! Was it sweeter for having to miss for a few years due to Covid or was it everything God knew we needed to hear?!? It was so good seeing our old friends, making new friends and learning about Jesus on a level we needed for each of us.

It means the world to us as parents to be able to attend a retreat such as Happiness where our "kids" are treated as peers to other "typical" kids. Kids who interact with them as friends. Where there are teachers who understand the importance of our kids knowing Christ as their Lord and Savior; who value their talents and know "A Joyful Noise" when they hear it!

We are truly blessed to be able to attend Happiness Retreat and come back with our souls recharged and ready to serve! Blessings to all!

Creation Station VBS was a masterpiece! We had twenty children join us to learn about God, the master designer and original artist. They learned that we are God's special creation and that we are all made in His image. We are His masterpiece! Students had the opportunity to learn to weave, sculpt, paint and craft as they explored how to be creative like God. A huge thank you goes out to the many volunteers who helped to make Vacation Bible School a success.
