Dear Grove Park Friends,

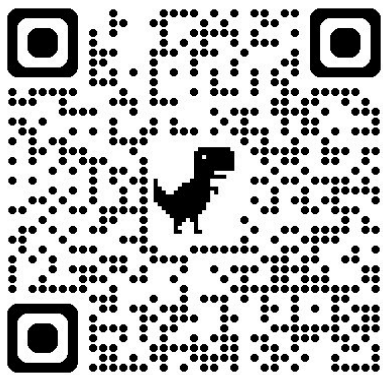

Thank you, once again, for the chance to speak to you all again this summer. Our time in the US this year was very short but we feel very blessed to have spent a little time with you all. We love sharing our life and ministry with you and appreciate your prayers!

We would also love it if you are able to sign up for our regular updates. We try to send an update about work in the hospital, life in Nepal, or special prayer requests every week or two. To do this, we use a secure website called, Epistle. If you sign up for our updates, you will receive an email with our page info called "Momos and Mountains" from the Epistle site. By clicking the link, it will bring you to all of our recent updates which look a bit like a social media page. The link expires after a few days and also cannot be forwarded to others for security reasons.

If you would like to join, please use the link or QR code below and add your email.
